

Greenwood High School in conjunction with Mississippi Valley State University and Mississippi Delta Community College will offer a Dual Enrollment Program. The program will allow eligible seniors beginning with the 2003-2004 class, to take college courses while enrolled in high school.

Additionally, beginning with the 2009-2010 school year, teachers from Mississippi Valley State University will teach Composition I and College Algebra on campus at Greenwood High School at a time to be determined by the administration.

Students enrolled in the program must take at least one three-hour course at MVSU or MDCC and must meet graduation requirements at Greenwood High School. Students must meet the requirements of the college or university in which they enroll. Students can take a maximum of six hours of college work. Students enrolled in the program must take their required courses at Greenwood High School before leaving the campus. Students who are enrolled in the dual enrollment program are expected to meet all attendance requirements of the college or university. If there are attendance problems, students will be counseled; and if this problem persists, students' eligibility in the dual enrollment program will be suspended and students are subject to be rescheduled into a full class schedule at Greenwood High School. Students enrolled in the dual enrollment program who drop a course at the institution will be scheduled into a full high school schedule. Enrollment in the dual program will have no effect on high school grade point averages.

Parents are responsible for completing the following steps in order for a student to participate in the Dual Enrollment Program:

- a. Meet with the high school counselor concerning the dual enrollment program.
- b. Complete and sign a parent consent/release from liability form.
- c. Complete all registration forms pertaining to the university or college.
- d. Pay all required tuition fees.
- e. Provide student transportation to and from the university or college.
- f. Purchase all required books and pay all necessary fees.

Financial aid is available for students who apply and are eligible. Greenwood High School will assist all potential students by providing applications and college catalogues.

Students participating in the dual enrollment program must adhere to all discipline policies set forth by Greenwood High School and the college or university. If for any reason the student violates the discipline policy, the student will no longer be able to participate in the program. The student will have to return to Greenwood High School as a regular student enrolled in a full-time schedule.
